All too often, we, as humans, are prone to let someone else do all the work. At first, we appreciate the fact that they will take on the extra work; then, we begin to take them for granted. One of these people is Mr. Robert Gowing. Mr. Gowing began his teaching career at KHS in 1947. In his 23 years here, he has not only carried his teaching duties, but has also taken over sponsorship of the Torch Club, the tennis squad and the yearbook. Among teachers and students, he is known as a dedicated and hardworking person who truly cares for his students. Those of us on the Comment Staff have seen this for ourselves; Mr. Gowing always seems to work harder than any of the rest of us. And we, too, are guilty of taking him for granted. We would, however, like to take this opportunity to show our appreciation to Mr. Gowing by dedicating this yearbook to him.

''Darn! I thought I was going to be a bunny!''

''Peek-a-boo! I see you!''

''Attack from (on?) the rear!''

''Maybe we should read the directions?''

''Rave on, madman! I'll never listen!''

''Vince and Nancy - my baby and me!''

''A student strike?''

''If nothing else, we look busy.''

''You call that art?''

''Have you ever seen a guy that short in your life?''

''Ahhh...the life of a dog!''

Those Were The Days

Homecoming dawned cold and clear as final plans for the festivities were completed. Thursday brought with it the largest Homecoming parade ever. Homerooms were encouraged to enter a car, with a prize to be awarded to the best entry. Excitement mounted at the pep rally as special guest Mike Shea, Mr. Grasso, and M.C.s Ann Rogers and Ray Price rallied spirit for the team. Finally, it was announced that once again, the juniors had managed to slip by the seniors to win the float competition. Spirit continued Friday as the Chiefs ran past Mt. Pleasant. Festivities culminated Saturday at the dance, where Queen Marita Goldie and her court were presented again, as the Gil Allen Trio provided the music. As Homecoming '69 departed, all agreed it was a great success.

BIRTH OF FOOTBALL

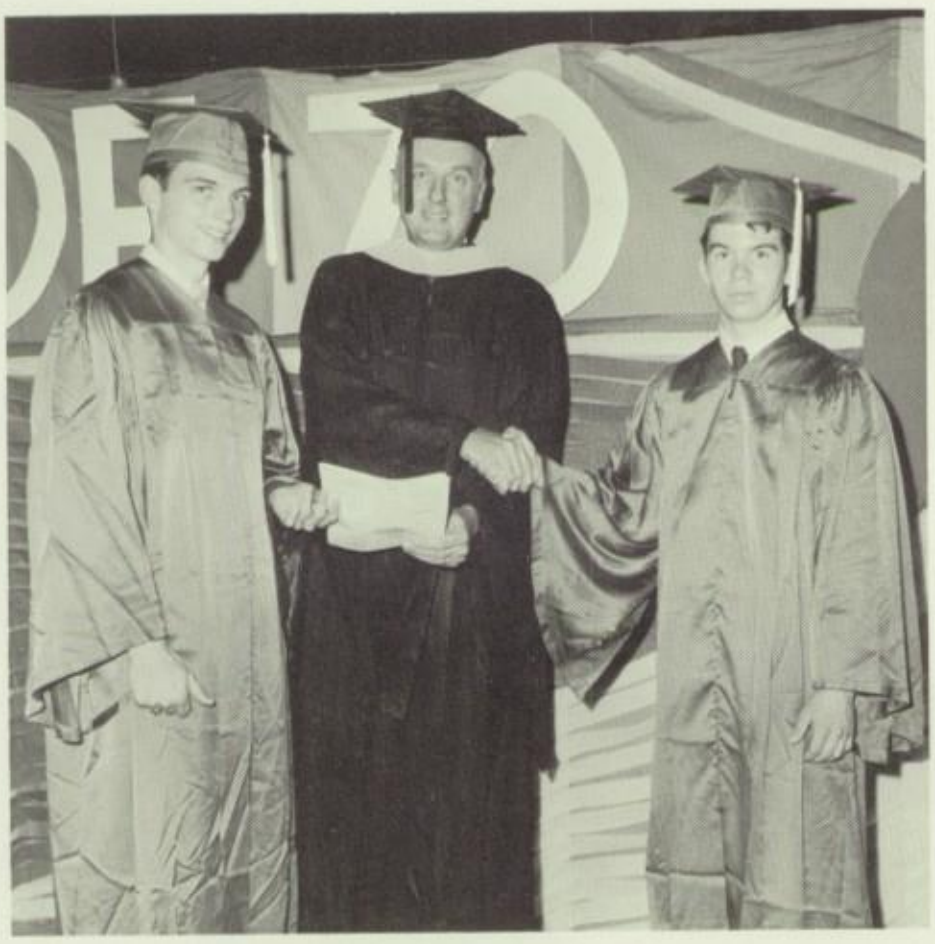
There's Something About Winter . . .

''There's something about winter...'' And there was something about this year's Jack Frost Dance that seemed to add sparkle to the affair. Maybe it was the work done by Pep Club, Student Council, and others to plan, decorate, and carry out all the preparations for the dance. Maybe it was the reigning Jack Frost and Princess Winter, Tom Richardson and Cathy VanZant. Maybe it was because Christmas was near or maybe it was the masterful music of the Heart and Soul. Whatever it was, the sparkle was there. As the evening ended, so did a memorable Jack Frost.

Three Coins In A Fountain

Once again the Keokuk Country Club was transformed into a brilliant ballroom for the 1970 Junior-Senior prom, ''Three Coins in a Fountain.'' As the guests entered the doors, they were carried back to ancient Rome through the beautiful maiden servants and the ivy-trimmed pillars. The Messengers provided the music as the couples danced around a majestic fountain. After the formal dance, the couples rushed home to change clothes for the movie and then on to the Elk's Club dance with music by the Opaques. Though it rained all evening, nothing could dampen the romantic spirits of the couples.

A Final Look At The Class Of 1970



Board president, G. Kenneth Mathews, awarded 1st honors and Maude Marshall Hassel and Kilbourne prize to David Mathews. Harold Reem was awarded 2nd honors.

Mr. VanDever awarded the intramural trophy to Peggy Grice for the Senior Class.

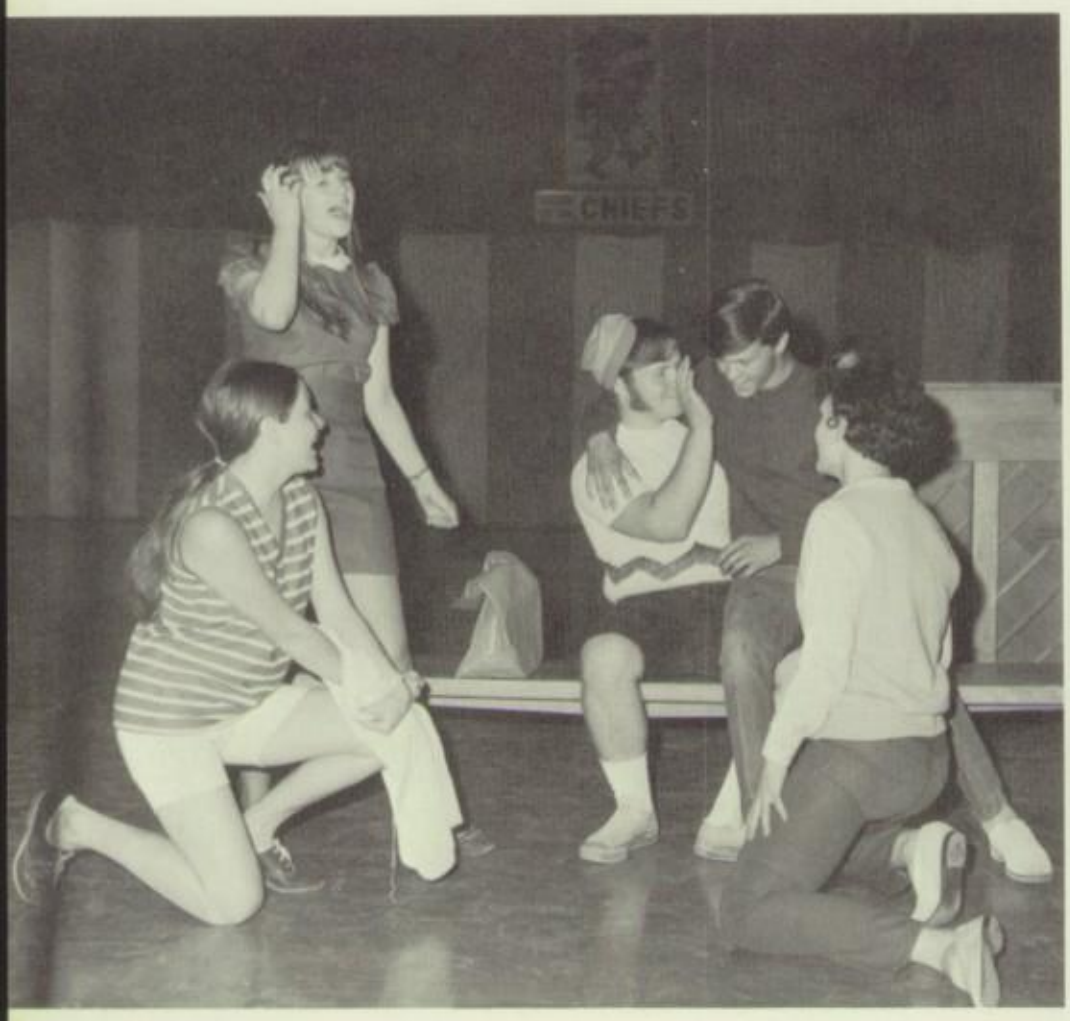
Citizenship K's went to seniors Cathy VanZant and Jim Templeton, juniors Clyde Turner and Susan Heller (not shown), and sophomores Randy Heath and Joy Leake.

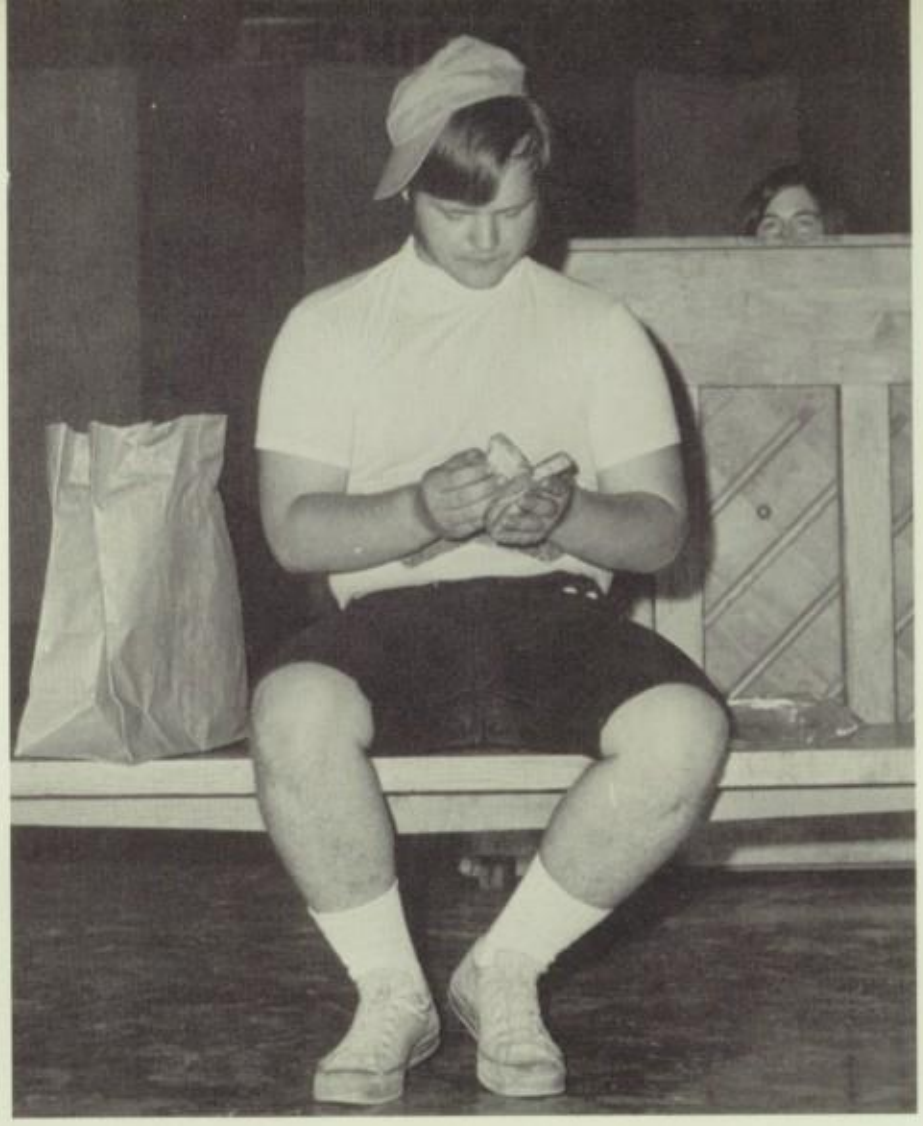
Mr. Tom Younggren awarded the Iowa Bar Association Award to Rick Inskeep and Harold Reem.

Principal Allen Peters awarded the Jim Lindner Memorial Award to Gary Peevler.

Sandy Morgan received the BPW Scholarship this year, presented by the local BPW Chapter.

Charlie Brown Day Was More Than Just "Peanuts"





KHS students had their day with a variety of recreational activities following an assembly at which time the ''honors'' were passed out. It was a repeat performance for Alan Herzog as ''Charlie.''

The Night The Fieldhouse Rocked

Anyone Hungry?

The Next
Miss America

Once again the Class of 1971 put on a fantastic affair as they presented ''Fun Night '70.'' Some of the fun ranged from a cakewalk to a real kiss, a make-up booth, and a live balloon throw.

Guess Who Came To Dinner?

Aunt Vi's roast beef with a little Brazilian atmosphere filled the citizens of the community. The local American Field Service and the KHS International Club sponsored the "Dinner with Martha." Martha Dias and the Glenn Frey's, Martha's American "parents," greeted the feasters at the front door. The entertainment was provided by several KHS musical groups.

Singers Of Good Fortune

"Singers of good fortune," this is the meaning of the title "Bene Ventura Singers". When the group was first started in 1967, their freshman year, it's membership was younger and smaller. When first organized, the group's only purpose was to sing together for their own enjoyment. From this first origin this talented and versatile group has expanded, not only it's membership to seventeen lively individuals, but also expanded it's efforts, performances and abilities. Through the efforts of three different directors, (Mr. Dan Kennedy, Mrs. Donna Reynolds, and Mr. Roger Tuttle), and as a result of the enthusiasm the group itself generated, they developed and matured their singing abilities and established an excellent reputation. Throughout these four years of dedicated time and hard work, they have extended their entertainment on countless occasions to school activities as well as numerous community functions. As the years have progressed, rapidly approaching the end of a tremendous high-school career, these students as Seniors can recall that they have acquired talented singing, great times, and wonderful memories as well as "good fortune". It is with the memory or happy melodies and warm friendships that they sang a fond good-bye to KHS at the time of their graduation. Each member feels quite strongly that it was his "good fortune" to have been a part of the group and the many treasured experiences.

The KHS Band was busier than ever in the 1969-70 school year. As usual, the schedule began with marching band practice during summer school to help prepare them for the marching season that began soon after school started. The band also provided half-time entertainment at the football games, as well as participating in the Fort Madison Rodeo Parade and the Burlington and Hannibal Band Days. Towards the end of the first semester, it was decided that there was enough money to begin serious consideration of new uniforms. Sample uniforms were received and ideas flew fast and furious. Money-making projects were also begun, including bake sales; two concerts, one with the band, Rhythmaires and other special guests, and the other a jazz concert. Final selection of uniforms was then made and the order placed. Even during all this, the Concert Band continued work and also participated in the Tri-City Band Festival. Now we find that Mr. Boshart is leaving us to teach at Junior High. The new band director will have a difficult time to follow in Mr. Boshart's footsteps.

Rhythmaires

This year saw the appearance of a new instrumental group, the German Band! and the revival of an old one, the Rhythmaires. With Harold Reem at the helm, the German Band played their gusty music for fun and profit. They lent their services often to help get money for new uniforms. Under the direction of Mr. Shanks, Rhythmaires once again swung out. Their music, reminiscent of the big band sounds of year's gone by, drew many people to their concerts.

Student Council Means Communication

Communication

Although it is important to recognize the potential which organizations within KHS have developed during the past year, it is even more important to realize the influence which these clubs have on students. The KHS Student Council has attempted to utilize this potential and build upon the established importance of extra-curricular activities by revising the council membership to include representatives from all high school organizations. The Student Council has attempted, during this school year, to develop an understanding between the student body and the student government as to the necessity of support for the success of any proposed action. This support was not found by just asking and advertising, and it was apparent that the representing body needed renewal in order to better serve those students truly interested in KHS affairs. This action of revising the council's constitution came as a climax to a year full of successful undertakings ranging from pop machines to school board action, from study halls to opening the gym on Sundays, and from having dances to suggesting action for the environmental crisis. This council was active even as school support dwindled, but it is hoped that the constitutional revisions will create a more effective system for next year's council.

Home Ec. Club is one of the new clubs formed this year. This club was organized because of the student interest.

The highlights of the year were: Homecoming, Jack Frost, Faculty Tea, Spring Fashion Show, and the Senior farewell.

Because of the supervision of Miss Ruth Trail and the work the girls have put forth, we feel the Home Ec. club was a success.

French Club

The French Club has been trying to reorganize this year after a year of inactivity. In the reorganization process, a new constitution was written and adopted.

Elected as officers for this year were George Bowlin, President; Bruce Bauch, Vice-President; Barbara Templeton, Secretary; and Betty Weirather, Treasurer. Class representatives elected were Randy Heath, Janet Bertschinger, Mike Tertichny, Kathy Porter, and Stan Bouslog.

During the year, the French Club helped with the advertising for the Jack Frost Dance. Various activities under consideration have been work days to raise money for helping an orphanage in France, trips to Montreal and France, and a club picnic.

Many revisions have taken place in the school's letterman club. Under the direction of president Steve High, much ''deadwood'' has been sorted out, and the club now has a solid core of members who really want to be in K-Club. The K-Club has taken on a new status in school. Now, not only is it an honorary club, but it is also a ''doer'' club in the school.

The K-Club took it upon themselves to give the fieldhouse added color and spirit by contracting Mr. Norman Bennett to paint the comic Indian, which now brightens up the south side of the fieldhouse. Another K-Club achievement is the donation of ninety dollars to the band for their new uniforms. The K-Club also used some of its money to travel to Iowa City to see Iowa U. versus Drake, which was enjoying to all.

A K-Club first this year was the publishing of a weekly paper. To make some money and bring up spirit, they published and sold ''The Weekly Supporter'' (a very appropriate name) for a nickel a copy. Although it raised some controversy, many people looked forward to each Friday when the rumors, ''caps,'' and regular features came out.

The K-Club also raised money by its annual erection of the south bleachers. Everybody pitches in and helps to get the bleachers together quickly and most of all correctly.

With all the K-Club improvements and with the addition of more activities, we can seriously say that the K-Club has had a very good year.

Distributive Education was expanded to full capacity in this, its third year. Out of over fifty applicants, twenty-eight students were placed in on-the-job training positions. Development of salesmanship skills in the distributed fields is the primary purpose of the program. However, other activities carried on by DECA have become well known to the student body.

Operation of the DECA Store, the Donkey Basketball Game, appearance on T.V. and radio, the Delegate Assembly in DesMoines, and the employer-employee banquet are but a few of the many activities DECA students participate in.

Training For Tomorrow

The Vocational Industrial Clubs of America is the ACTION organization of Trade and Industrial Students of the United States. The main purpose of this club is to foster ''leadership in the world of work.''

The varied activities of this year's club included; participation in the state delegate convention, adoption of a needy family during Christmas, sponsoring a dinner for parents and supervisor, attending a state legislative session and selling vocational education to legislators and sponsoring an appreciation banquet for employers.

Money raising projects include selling concessions at a football game and sponsoring a chili supper.

FTA Investigates Educational Procedures

This year the Future Teachers of America was, as usual one of the most active organizations of K.H.S. F.T.A. students started the year out right by giving apples to every teacher on the first day of school. The organization, consisting of students who feel they may become teachers had much success with their cadet program. Many F.T.A. students worked with teachers at elementary and secondary levels, gaining invaluable experience in this way. Their annual Christmas project was an overwhelming success with the whole K.H.S. student body actively participating. One highlight of the year was the second annual Donkey-Basketball Game co-sponsored by F.T.A. and DECA. At their meetings members heard many speakers on subjects related to education and practiced making classroom presentations.

Victory Is Our Sign

The season began early for the Sophomore and Varsity Cheerleaders, as they conducted several money making projects during June to finance a trip to the Firebird Cheerleading Camp at Simpson College in Indianola, Iowa. At the camp, the girls competed with other cheerleaders from all over the Midwest, and both squads received ratings of "Superior" in various phases of competition.

Working hard to promote spirit throughout the Football and Basketball seasons, the girls were richly rewarded at tournament time when the enthusiasm of KHS students reached an all-time high. With chants of "On to State," busloads of KHS'ers traveled the victory road, and helped the Chiefs win a berth in Des Moines. On returning home, Cheerleaders and fans greeted Our Champs with a slogan all will never forget--"Chiefs are still #1!"

The spirit generated by the enthusiastic cheering helped bring the wrestling Chiefs to their most successful year. Through each tournament, the small group banded together and endured the thrilling action. Conscious of the pain and mistakes, their work tells of their endurance.

The World We Share

International Club is not only one of the largest clubs at K.H.S. but also one of the most active. The AFS student is welcomed and backed by International Club. The funds necessary for K.H.S. to have a foriegn student are provided by the sale of friendship bonds to the students and community. International Club in this manner helps promote better understanding around the world.

This year for the first time, the K.H.S. International Club received an International Student Exchange student. Ivonne Gscheiesser came to K.H.S. in January from Lima, Peru to spend ten weeks attending K.H.S. Ivonne's American sister was Barb Bradford.

Entertainment And Experience

Whether it was a serious drama or a humorous period play, the Thespians of K.H.S. showed capability in the two productions presented this year. Under the guidance of the director, Mr. Pruett, the work to memorize lines, to design a set, and to extend the stage area, showed in the performance of the first play, ''David and Lisa'' by James Reach. With the second production being a period play, ''The Remarkable Mr. Pennypacker,'' by Liam O'Brien. Thespians proved their flexibility in creating a theatrical success. Besides the two plays, the troupe was once again off to Chicago for its annual trip supported by bake sales, car washes, and pop bottle collections. Overall, the actors and actresses of K.H.S. through hard work and a lot of fun, achieved another successful year.

Torch Club Recognizes Academic Achievement

Few organizations honor scholastic achievement of high school students; however, the National Honor Society is one organization that does. Keokuk Senior High is privileged to have a chapter of the National Honor Society, called Torch Club. Torch Club members are expected to possess the qualities of scholarship, leadership, character, and service. Since the number of members must be limited, each fall the Juniors and Seniors with a B average or better are rated on these four qualities. Those that rate highest then become members of the Torch Club. The club provides the editorial staff for the yearbook and part of the rest of the staff. The members also provide the coat check at basketball games. Membership in the National Honor Society is one of the highest honors for a high school student.

Our sponsor for Teens For Safety is Mr. Richard Jones. He brought the club into existence in 1955. It has been a very successful club and educational to the students that have been involved throughout the fifteen years. Every spring the club members go to Cedar Falls, Iowa for the state conference for safety. Mr. Richard Jones is the co-sponsor with the state safety education. He helps to organize the spring meeting and also presides at the meeting.

The objectives of Teens For Safety shall be to promote a strong spirit of fellowship and acquantanceship and to promote safer driving. The purpose of this organization shall be to promote individual, school, and community safety.

Lana West: An organization to help promote safety in our community and it is a fun organization at that.

Becky Othmer: Be safe and live; the Safety Club helps you to learn about safety.

Bruce Bawden: A club to learn and promote safety.

Janet Johnson: Safety Club is organized to promote safety in our community and state. I think the club is needed and useful to everyone.

Stan Watson: Safety Club is a means of helping to promote safety in our community

Joyce Jump: Safety Club is a way that some of the kids at K.H.S. can help the school

Kathy Kinkeade: To me, Safety Club is an organization of students trying to promote the safety of others by learning about the different techniques of safety.

The Charter of the National Forensic League specifies that those gaining membership into this honorable organization fulfill not only the requirements of high scholastic achievement and required number of points, but also that the members have a true interest in speech, and maintain a high standard of contest ethics. Keokuk's local chapter of the NFL have, this year, continued to uphold these qualities and furthered the competitive spirit, as well as bringing honor for KHS. Compiling a total of 1,330 NFL points, the squad activily participated in ten tournaments this last year; including the rough competition at district, state, and NFL tournaments. The students of KHS are proud of the efforts of our outstanding speech students.

Even with the disadvantage of only one experienced varsity speaker to begin the season, KHS debaters finished the season with all the benefits to be gained from this activity. Hard work, long hours, and fun make a debate team.

Tying for third place in the annual Drake Invitational Tournament proved to the others that those from the corner of the state were to be respected.

Smoke Signals Captures Interest

Typists, writers, and editors alike felt the pinch of a deadline for the eight Smoke Signals put out yearly. Before each paper was completed, frenzied work sessions dominated study halls, after-school hours, and lunch periods.

Mr. John Artman shouldered the heavy task of training new sophomores and especially three green editors, Noli Kane, Mary Burke (Juniors) and Senior Steve Miller.

The Smoke Signals' issues featured student opinions on the Editorial page with ''Letters to the Editor'' and opinion polls. A page was also devoted to sports. Features and news articles encompassed important student and faculty activities.

The staff was dissatisfied with only two aspects concerning the school paper: the absence of a journalism class and lack of funds to print more than eight papers a year.

The Voice Of KHS

''Enter the Young'' is a program of the students, by the students, and for the students and the people of the Keokuk Community. As it moved into its third year of broadcasting, the program, presented from 11:15 to 11:45, became the voice of K.H.S. Upcoming events, panels, news of the week, and interviews are the earmarks of the program. The students of Senior High produce and present the entire program.

Spirit Sars With Formation Of Pep Club

At the beginning of the '69-'70 school year, a group of girls, full of enthusiasm and new ideas, and being of strong spirit and lung, formed a pep club. It was this club's goal to wake the spirit of K.H.S. from its sound sleep.

The girls set out to accomplish this task. Throughout the year the club, whose membership grew to over one hundred, supported the Chiefs in both triumph and defeat. It was responsible for the organization of buses to each out-of-town football and basketball game, including chartered buses for the state basketball tournament. The club also helped to boost spirit for the other school sports such as wrestling, swimming, and track.

Although The Membership Is Not The Sam, The Name Will Remain The Little Six Advisory Council

The annual fall meeting of the Little Six Advisory Council brought together the representatives from the three remaining schools; Keokuk, Burlington, Ottumwa, and the newest addition to the conference, Quincy Christian Brothers. The members from each school represent the activities student council, athletics, cheerleaders, music, and speech. Following the completion of a school exchange visitation program, the four schools met for the last meeting of the '69-'70 school year, held at K.H.S. The evaluations of the other schools provided useful information on which to build better inter-school communication.

Teens Speak Out

The Keokuk Teen Chamber of Commerce helps the citizens of Keokuk become more involved in the community's activities. The Teen Chamber helps promote and publicize the activities of the Keokuk Chamber as well as initiate their own. The Teen Chamber tries to make life good in Keokuk. The constitution of the club has been changed and new officers elected since this photo was taken.

Learning Through Achieving

Junior Achievement, now in its 51st year nationwide, again had an outlet in Keokuk in 1969-70. J.A., which is an organization to help teenagers learn exactly how a business operates, had two companies this year, ACTION and WOJAC. A very original and creative product, beer-can lighters, were sold by ACTION along with handy organizers, while doormats and personalized stationary were sold by WOJAC. Officers that were K.H.S. students included from ACTION: Steve Miller, Vice-President, Sales; Jim Rankin, Vice-President, Manufacturing; and Mike Tertichney, Safety Director; from WOJAC: Lynn Williams, President; Connie Howes, Vice-President, Sales; Shiela Kaneer, Vice-President, Manufacturing; and Mary Ann Dunn, Treasurer.

Wins Conference Championship

The 1969 football campaign was marked with inconsistancy. Coach Dom Grasso, in his first year at the helm of football in Keokuk, gave Keokuk its first winning season and conference championship in many years. One important reason for the good season was the small number of injuries to key personal on the team. Coach Grasso emphasized team effort, as was shown in the last game when the Chiefs ended the season with a 5–4–1 record by smashing Mexico 50–0. As the season progressed, Greg Morningstar continued to lead the defensive charge. Greg also helped Mike Hays carry the offensive load in the last few games. Senior end, Gary Peevler, punted the Chiefs out of several holes while also snagging many key passes.

Sophs Try Harder

Inconsistency characterized the 1969 sophomore football team. The little Chiefs were always able to muster an offensive punch, something which the defensive unit could not always match. The Chiefs had several players who could give the varsity a strong nucleus next year. This year's sophs were lead by Mike Noe, Steve Hays, Mark Hanlin and Jim Rankin on offense. The defense was lead by Mike Mahoney, Ben Marion, Roger Walker, and John Holmes. This year's M.V.P. award went to Mike Mahoney. Honorary captains selected by the soph team were Mike Noe and Jim Rankin.

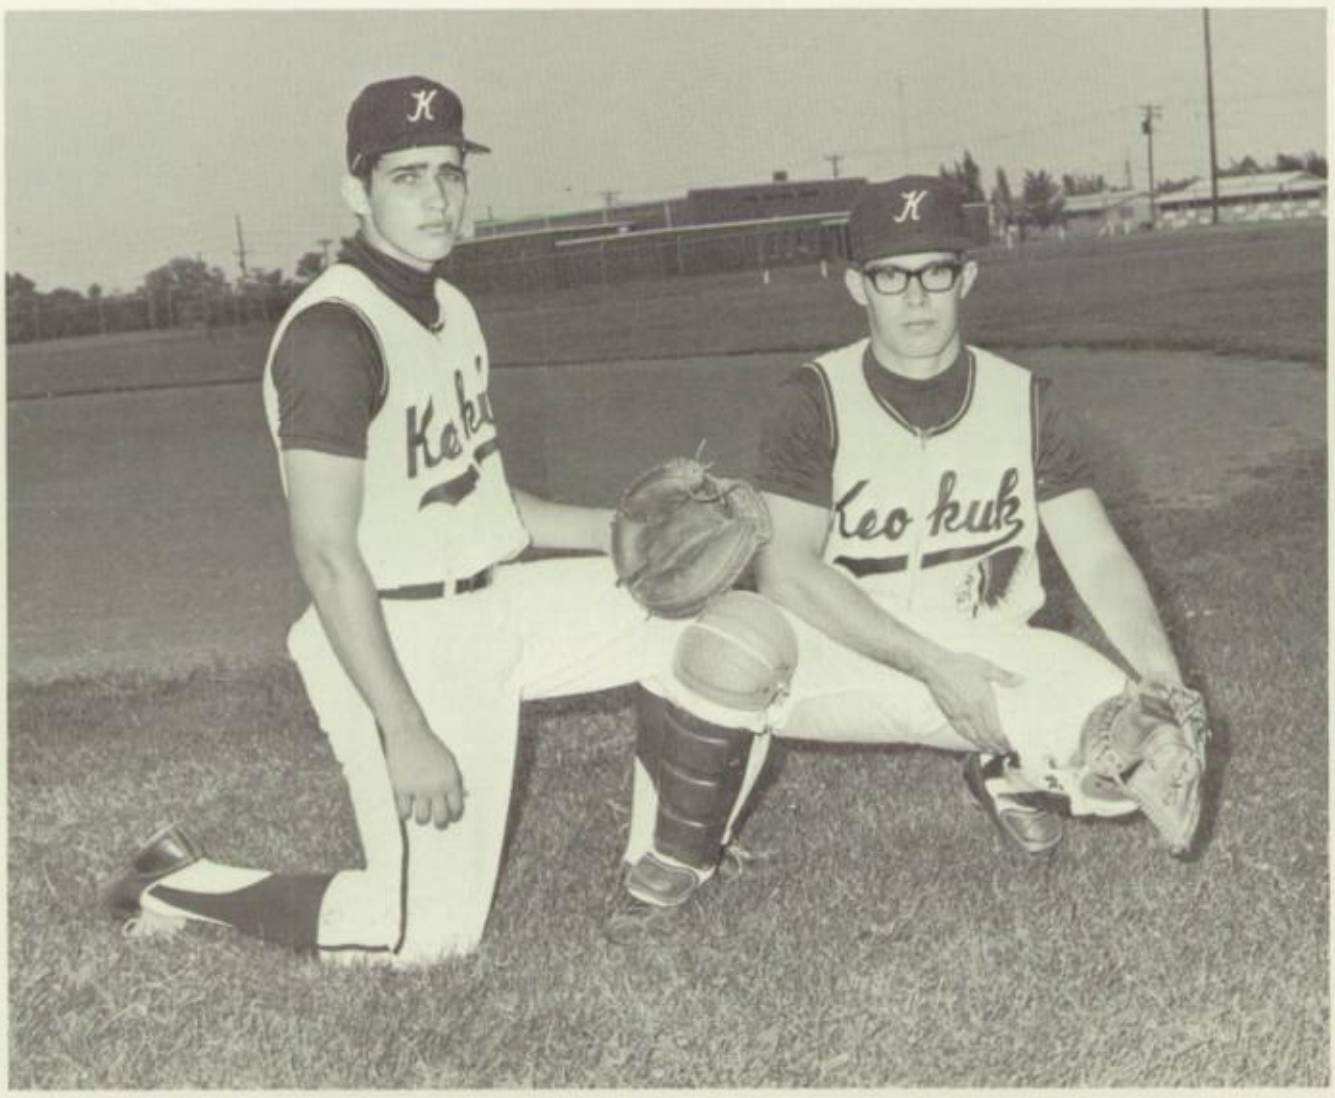
Chief's Diamond Squad Boasts 7 Win Record



The story of the 1969 Varsity Baseball season can be summed up in one word--rain. Half of the Chief's season this year was rained out resulting in a seven win record. The Chiefs this year played very well at times and not as well as expected at other times. The 1970 season looks very good considering the number of regulars returning and the experience some of the younger players gained this past season. The major weakness the Chiefs must overcome this year is the lack of pitching. All in all the chiefs are looking to an excellent season.

Chiefs End Good Season At State

"Success" is the most appropriate word to describe the 1969-70 KHS Basketball season. From the first onslaught of Grinnell to the final loss in DesMoines to the state champions, the Chiefs never failed to thrill the crowds with uncanny dominance. The Chiefs took off in fantastic fashion, winning their first 9 games before finally being halted. When the regular season was finally over the team had amassed a very respectable 14-4 record. Entering the state tourney, the Chiefs created a tremendous amount of spirit and drive which pushed them easily through the districts and substate, advancing all the way to DesMoines. Although the team was defeated in first round play, they had achieved something which only four KHS teams had ever done; making it to the state meet. This year the Chiefs were once again led by 6-8 Roy Burchette, who was voted the M.V.P. by his team members. Filling Roy's center position seems to be the biggest barrier facing Coach Bill Jones next year, but a fine crop of sophomores along with the returning juniors should make the outlook very bright.

The Keokuk Chiefs beat both Mt. Pleasant and Burlington to take top in the District. The Chiefs went on to Sub-State winning over Muscatine and Ottumwa, and then they were on to State. In the first round the Chiefs were beaten by the top team in the State, Davenport Central 78-58.

Scores of dual meets: 6-3-1

Dom Grasso's wrestlers compiled the best record in the school's history (6-3-1). They completely dominated the Little Six Tournament. The Muscatine Tourney was an eye opener for wrestling fans in Southeast Iowa as the Chief grapplers caught some of the strong teams off guard and came home the champions.

Such schools as the Cedar Rapids and Iowa City Schools proved too formidable in the State series, but the Chiefs made their followers proud of them for a fine year.

The 1970 Keokuk Track Team turned in one of its finest performances of recent years. Led by outstanding performances in the field and middle distance events, this squad set four school records and tied a fifth. Keokuk won the Trojan Relays, Mustang Relays, qualified seven men for the Drake Relays, and sent a total of thirteen men to the state meet in Ames. Steve High who proved himself to be the finest high jumper in Southeast Iowa jumped his way to a fourth place in the state and a share of the KHS school record. Keokuk's Ace pole vaulter, Gary Peevler, became the first vaulter in KHS history to clear 13 foot. Peevler also finished the season as high-point man an the squad with 100 and one-fifth points. Senior standout, Mike Hays, was second with 99 and Steve High third with 94. Only eight Senior lettermen will graduate from this squad leaving a fine nucleus for next year's track squad.

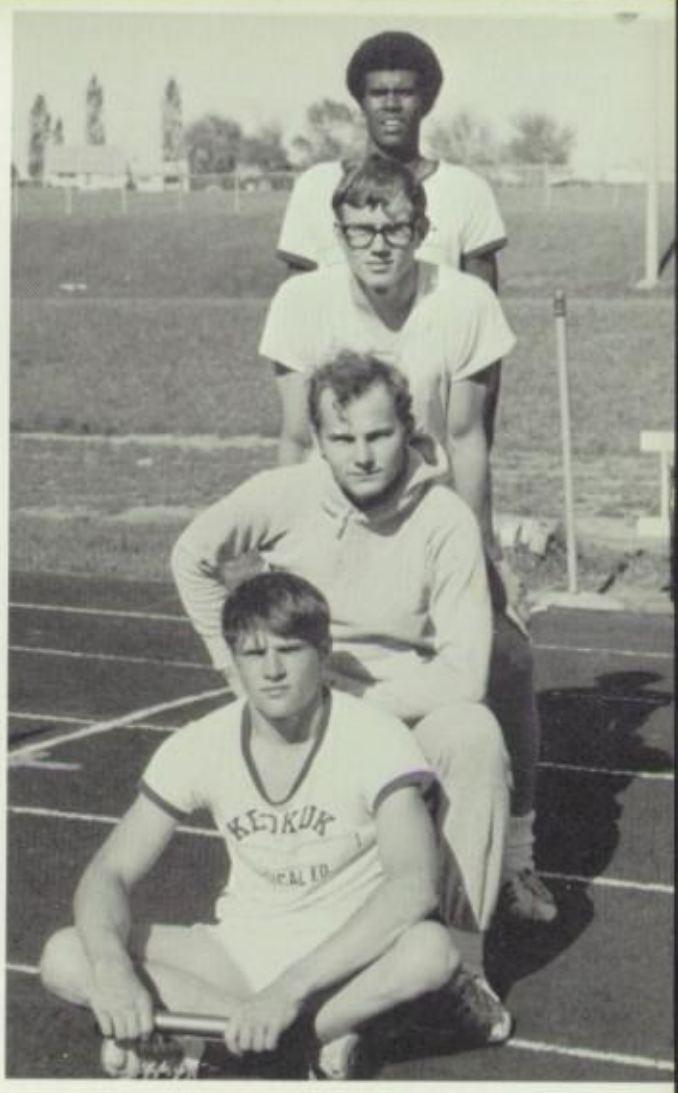
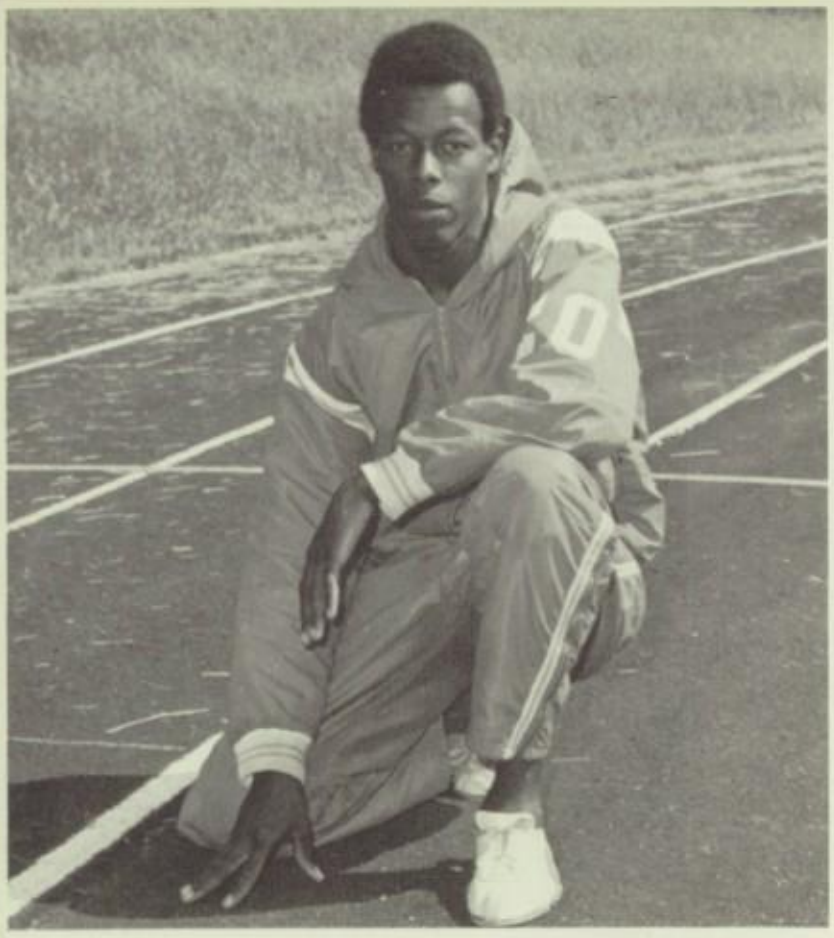
The highest pole vaulter in the history of KHS is Gary Peevler. Gary ended the season as high point man on the track squad, Conference Champ, and holder of the school record at 13 ft. 3 inches. He also ran on the 440 yd. relay team which qualified for state and won the District pole vault.

Returning hurdlers Charles Corr and Paul Kelly work for form on the highs. With these two returning, Keokuk's strength in the hurdle events should improve next season.

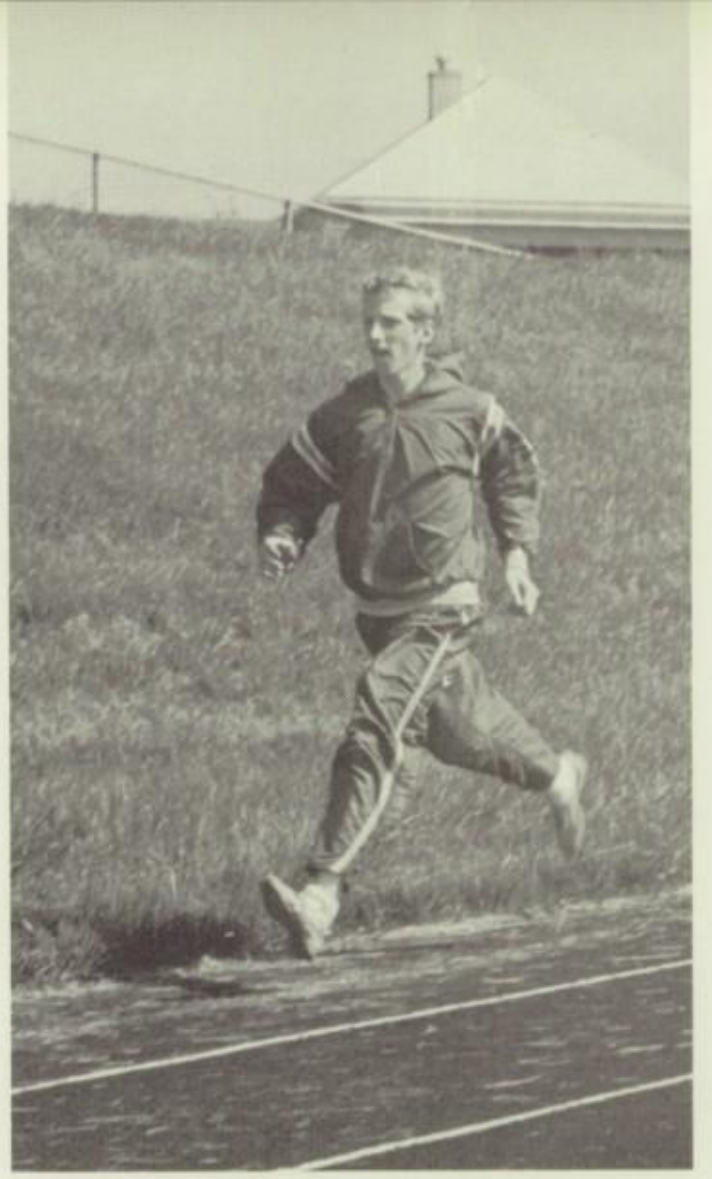
The Mile Relay team loses only Tom Richardson from its record-breaking 1970 campaign. These four lettermen set the school record at the District meet, only to smash it again by four seconds at State. They were Conference Champs, District Champs, and Trojan Relay Champs to name a few of their accomplishments.



The Kelly-to-High pass on the 440 yd. Relay was one of the reasons for the success of this team. Only once during the regular season did this team finish lower than third. The other two members were Gary Peevler and Mike Hays. In two years at KHS the 440 yd. Relay team never once dropped the baton. Shown in this picture is low hurdler Mike Kelly handing off to Steve High who also holds a share of the school high jump record at 6 ft. 1 in.



''Street'' is a member of Keokuk's track 2 Mile Team which holds the school record of 8:09.3. A quarter and half miler, Jerry returns next year to help lead the assault on the KHS record book.



Les Saint, Senior 2 Miler, was Conference Champ in his specialty. He also finished second in the District meet, which qualified him to compete at the State Meet in Ames.

Next year's track squad will miss Mike Hays. During the 1970 season Mike was a standout in the 220 yd. dash. He won his specialty at the Trojan Relays and the District meet. He also anchored the KHS 440 yd. Relay which won Keokuk Relays and advanced into State competition. Mike qualified for the State meet in Ames in three different events.

Steve Nichols anchored two teams into the 1970 State Track Meet. Only a junior, Steve is one of the reasons Keokuk is one of the stronger teams in Southeast Iowa.

Girls' Gymnastics get Underway

Gymnastics is one of the newest clubs at KHS. It was formed to give athletically-minded girls a chance to participate in a sport in which they can develop body and mind coordination. Only one member competed in an interscholastic meet this year. Patty Marsh performed her balance routine and floor gymnastics at the state meet in Cedar Rapids. It is hoped that this club will grow and participate in many other interscholastic meets under the able direction of Miss Hazel Mathews.

Dennis And Hoewing Lead Chief Netmen

The 1970 tennis season was somewhat of a disappointment. With four returning lettermen to occupy the top positions, a good team was anticipated. In the initial meet of the season, Rich Hoewing and Jerry Dennis teamed for second place in doubles in the big Ottumwa tourney while Brad Calhoun made a strong showing in singles, taking a second place also. This was thought to be a good indication, because 12 of the top teams in the state appeared in that tournament. From this point on, the team played only fair. They finished with a dual record of 4-7 and a second place finish in the conference meet. The highlight of the season was the district, where Hoewing and Dennis again made a good showing, taking second place and gaining a berth in the prestigous state tournament in Des Moines. Accompanied by Coaches Bob Gowing and Larry Koch, the pair was knocked off in the first round of action by the heavily favored duo from Bettendorf, who eventually took first place honors.

Much credit for improvement of the various squad members goes to Mr. Koch who found time in long, busy days to help the boys with their weaknesses and to accompany them on trips while carrying a full load at Western Illinois.

Dennis was chosen Honorary Captain, while Derr and Bauch were voted the most improved. The loss of the four seniors will make it difficult to get together a team in '71.

J. Dennis won 2nd flt. at Keo. Inv. and Conf. and member of doubles team that played in the State.

R. Hoewing, member of double's team at State.

R. Derr won 4th flt. at Keokuk Invitational.

Several underclass girls with the help of their mothers put together a good tennis season. Only Ottumwa proved too tough for the local lassies in the net sport. In a locality where girls tennis teams are few and far between, those available - Cardinal Stritch and Ottumwa Walsh - were easy victims of the Keokuk team.

The next year or two should see considerable improvement for the members of this young team.

Coach Rick Shwery got terrific mileage out of a small squad of devoted swimmers - the culmination of a fine span of years in which Mr. Shwery has directed this branch of Keokuk athletics. The best performance in swimming was a 3-4-0 record.

Among the highlights of the year were the following: a twelfth place tie with Mason City in the state. At this meet, Jim Rankin placed 10th, George Bowlin 4th, and the 200 Medley Relay a 3rd place finish. In one of the toughest districts in the state, the Chiefs came out 5th best. In other meets, the squad finished 3rd in both the Tipton meet and the conference.

The 200 Med Relay team was 2nd to Clinton at District with a 1:47.8 time. At State the 200 Med Relay team was 6th in the Preliminary NSR, 1:47.5. In the finals the Relay team was 3rd, NSR 1:46.5.

Golfers Win Washington Invitational

Inconsistency tended to hurt the 1970 golf squad. Highlights of the season were a first place finish in the Washington tournament and a 14th place finish out of 40 teams in the Quincy Invitational. Again this year, as last year, the Chiefs were defeated in sectional play by one stroke.

A young surprise, sophomore Jeff Bliss, proved to be the most consistent golfer with George Bowlin and Dan Roan sharing top honors. Next year's golf squad should be strong, only losing four stickmen as graduating seniors.

1969-1970 was the second year for the competitive girl's golf team. The girls had eight regular meets with only one loss this year to prepare them for the sectional meet. Although the whole team returned from last year and the team's scores were much improved, the competition was tough.

Although it was close, the girls won second place at the sectional meet which was held at Keota. With this victory behind them, the team advanced on to the district meet with Mr. William Young (John Wayne) coaching them. With the adverse weather conditions all scores were much higher. Not being prepared to play in the rain, the girls missed going on to the state golf meet by a mere two strokes.

''Hurrah! The experiment worked this time!''

''In my own little corner of my own little world I can do what I want to do.''

''Well, maybe the pope will listen to me <u>this</u> time.''

''I'm a walking, talking, life-size doll.''

''Keep quiet and no one'll ever know.''

''Yes, I'll pray for the team.''

''You could look 5 pounds thinner in a Playtex girdle.''

''Oh, oh! Caught in the act!''

''And at midnight, I become a werewolf--like this----aaah!''

''The odd couple.''

''Miss Photoflash, 1970--Laurie!''

''Please, Mr. Jones! We'd rather do it ourselves!''

''Becky the Crock?''

''The arrow goes up, Mike!''

''Mother always told me I should be a model!''

''Oh, shut up, Miller!''

''The KHS Mod Squad''

''When I grow up, I want to be a big boy - just like him!''

''Some of them actually wear their skirts up to here!''

''Who wants to try their luck?''

''Not in the classroom. Ben!''

''One at a time, boys--
you'll get your chance!''

''Hold still! You'll
look darling with a
mustache!''

''Diane - the movie star!''

''You can't tell jokes like that!''

Wills And Prophecies Of 1970

Randy Flambeau: I, Randy Flambeau, will Mr. Young a can of black shoe polish to cover up a little spot on the back of his head.

Tina Weirather: I, Tina Weirather, will Carol Jean Stuart to a certain sophomore boy in hopes that he can finally get what he has waited a whole year for.

Senior Class: The Senior Class wills Mr. Bob Bennett a new pair of red dancing shoes so when he appears on the Amateur Hour dancing on table tops he'll be in style.

Students of KHS: We the students of KHS will the teachers of the KEA a life time supply of Buster Brown shoes in case they should decide to strike again.

Tom Holman: I leave all my wrestling skills to Mike Dennis in the coming season, on and off the mat.

Larry Hawkins: I will Bob Miller a row boat so he can get to Warsaw a little faster.

Edward Szawiel: Me, myself, and I, being a good guy, will my lifetime subscriptions of Saturday Evening Post and K-Club Weekly Supporter to Mr. Artman.

Rick Riley: I will Kent Carter my ability to swim fast and I hope that Keith can walk and chew gum at the same time next year.

Advanced Math Class: We, the Advanced Math Class, being of sound minds and bodies, do hereby will Mr. Anerino a pair of elevated shoes so that when he sits in his desk chair his feet will touch the floor and he will no longer feel inferior.

Mimi Kiedaisch: I will Doug Kaiser a secluded parking place on Hazelhurst Circle where he may take up a permanent residence.

John Depew: I will Mr. Dick Jones a tape recorder so he can tape his Marine stories and play them back to the students in the years to come.

Gary Edwards: I will Ed Brooks his own Robo so he can wash his dirty clothes.

Russ Derr: I leave Dave Carroll enough money to put his two front teeth where they belong.

Pegi Meierotto: I leave Lois Mathews to Tammy Cady and to Lois the ability to walk gracefully down the halls without falling all over certain senior boys.

Tom Richardson: I, Tom Richardson, will Steve Miller back to the Sophomore Class where he respectfully belongs.

Minda Meister: I will my writing and typing ability to Mr. Artman so he can finish his autobiography entitled A Pollock from Paduka or Father John Comes Home to Carthage.

Howard Heath: Being of sound mind and empty pocket, I will the only thing I have - a receding hair line - to Mr. Eidem, even though he can't use it.

Jack Royer: I will Mr. Artman the lease on a grave plot for the use of three days as he won't need it any longer than that.

Nancy Seabold: Being of sound mind, I wish to will Mr. Ballew a record by the name of ''Bob-Ballew.''

Kristin Nelson: I will Pattie McCredie first prize in the Donald Duck look alike contest. First prize is Donald Duck.

Vicki West: I will Ruth Anne Marlin the ability to tell time and get home on time and to stay in school and out of trouble.

Pam Anderson: I will Phil Zinnert someone to haul him around during his ''happy times.''

Ray Runge: I will Mr. Harper Pike and Charley Tuna a happy future together.

Harold Reem: I will Mr. Looney and the rest of the guidance department a free Dale Carnegie Course in ''How to Win Friends and Influence People.''

10 Years From Now ...

Caren Williams may take up ''Tayloring.''

Denise Peterson may be running a dairy farm with Peters dairy milk.

The Comment Staff probably puts more work into the preparation of the yearbook than any other staff in the area. However, if it were not for the patrons who generously helped finance the annual, this year's yearbook would not have been possible.

The editors wish to acknowledge the efforts of a few students who were not included on the staff page. Included are the following: Jerry Dennis, Steve Hoambrecker and the Juniors in the Int. Relations class who assisted so capably during the last week of school.

Darkness lightened by the moon
Showing the way through the night.
Moonlight beaming
On a sleeping world
--leading the way to day.
Darkness will give way to light
--night to day
--moon to sun.
We will wake refreshed
from the night
To face a brand new day.
